## STATE TESTING FOR 3<sup>RD</sup>-5<sup>TH</sup> GRADE STUDENTS

Our teachers worked hard to ensure that students were prepared for the CAASPP assessments these last four weeks. Our students demonstrated perseverance and focus while working on their tests. They did a great job. Way to go Alleycats!! We also want to thank the PTA for providing snacks for the students - they really appreciated the treats!

### Let's limit screen time

For a healthier body *and* mind, your youngster needs to fill her days with something other than screen time. Here's how to encourage physical activity and real-life interactions:

- Decide on a daily screen time limit that is right for your family. Then, create rules to enforce the limit, such as "Play outside every day" and "Screen time ends at least one hour before bedtime."
- Be a role model by putting away devices yourself. For example, avoid using your phone when you're talking to or playing with your youngster. Or turn off the TV, and announce that it's time for a walk together.♥
