

ARNOLD PTA

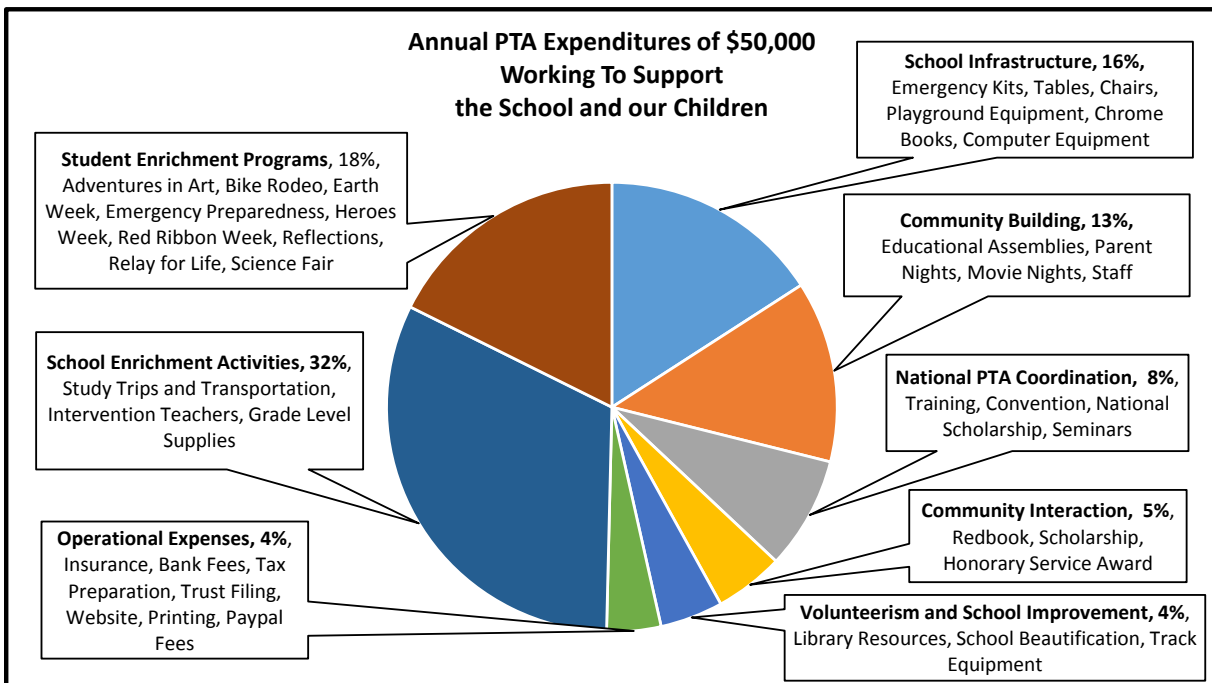

Direct Donation Drive

What is the Direct Donation Drive?

The Direct Donation Drive is the money raised by the PTA to cover the cost of programs at Arnold Elementary that are not paid by the state or school district. Currently, the PTA pays for all enrichment programs on campus. The annual budget of expenses for these programs runs the PTA more than \$50,000 annually.

Why should I donate?

Our children are the future of our city, state and country. To ensure that they have a solid well rounded education we must raise funds to compete with other schools and states. Through your generous donations the PTA is able to pay for Art, Computer Lab and equipment, Field Trips, Teacher Support, Assemblies and much more! Without these funds, programs will be cut. Every dollar goes DIRECTLY to support Arnold Elementary.

We are asking for a donation of \$100.00 dollars per student enrolled at Arnold.

However, **ANY** donation amount is greatly appreciated!

Please go online to www.arnold-pta.org and donate today!

Be sure to check with your employer regarding a matching funds program. All donations are tax deductible.

~All families making a donation of \$100 or more per student will be entered into a raffle for prizes such as an iPad Air and Gift Cards~

Thank you for your support!
